Dear Foundation Friend,

I am writing to you on behalf of Lakeridge Health Foundation and City Wide Taxi to invite you to be a part of the **6th Annual Cabs for Cancer Golf Tournament**. This exciting event will take place on Saturday, September 22, 2018 at the beautiful Lakeridge Links Golf Course in Brooklin.

Thanks to the incredible generosity of sponsors, donors, and golfers, this event has raised over \$35,000 for cancer care at Lakeridge Health.

The funds raised through this year's event will, once again, support the R.S. McLaughlin Durham Regional Cancer Centre (DRCC). With 500 patients seeking our cancer services every single day – from prevention and screening to diagnosis and treatment – we must remain at the forefront of healthcare innovation. With your help, we can continue providing the very best patient care with the most state-of-the-art equipment.

Your participation not only makes this event possible, but allows it to be an ongoing success and major contributor to City Wide Taxi's fundraising goals in support of quality healthcare, close to home.

We look forward to seeing you on September 22nd.

I thank you in advance for your consideration, and should you have any further questions please do not hesitate to contact my colleague, Helen Knelsen, at (905) 576-8711 ext. 4175 or via email at hknelsen@lakeridgehealth.on.ca.

Sincerely

Paula Arscott
